

## Aircraft Survival Kits

Alaska state law (AS 02.35.110. Emergency Rations and Equipment) require that no airman may make a flight inside the state with an aircraft unless emergency equipment is carried as follows:

1. The minimum equipment to be carried during summer months is as follows: (for all single engine and for multiengine aircraft licensed to carry 15 passengers or less)

- (A) rations for each occupant sufficient to sustain life for one week;
- (B) one axe or hatchet;
- (C) one first aid kit;
- (D) an assortment of tackle such as hooks, flies, lines, and sinkers;
- (E) one knife;
- (F) fire starter;
- (G) one mosquito headnet for each occupant;
- (H) two small signaling devices such as colored smoke bombs, railroad fuses, or Very pistol shells, in sealed metal containers;'

2. In addition to the above, the following must be carried as minimum equipment from October 15 to April 1 of each year:

- (A) one pair of snowshoes
- (B) one sleeping bag
- (C) one wool blanket for each occupant over four

The CCE Office recommends consideration of the following optional items:

- (A) rifle/pistol
- (B) signal mirror
- (C) tent
- (D) water filter or purification tablets
- (E) space blanket
- (F) flint/steel fire starter
- (G) gill net
