Turn off at Taxiway Echo and we'll handle the rest. Free aircraft parking, 24-hour cardlock fuel service, passenger terminal, pilot lounge, and the coffee is always on. As part of the Avfuel global aviation network, whether your destination is Nuiqsut or Narita, we're here to help. Courtesy shuttle service is provided around the airport and we can arrange for vehicle rentals, hotels, meals, cargo handling, and any special needs.

Fuel

Colville Aviation

* Ramp Fees waived with Fuel Purchase

Ramp fuelers operate 7 days a week and can fuel 24 hours a day. Our fuelers carry cell phones so it's no problem getting to you fast. Currently JET A is going for \$4.37 per gallon plus the taxes. 100LL is \$7.79 per gallon plus the taxes. We price our fuel off of a Rack Price, so please keep in mind that as the price of fuel rises and lowers, so does this price. This per gallon price is based off of today rack price.

Colville Aviation

- Jet Fuel- We have an FBO Facility at the Deadhorse Airport that is able to provide 24hr Jet A (with additives if needed), and 100LL aircraft fuel. We have a ramp fuel truck available 24hrs a day that can provide in-wing fuel to any aircraft or helicopter. (we have been providing aircraft refueling operations to all users at the Deadhorse airport, including various military/government agencies for several years). Colville Inc can also provide any amount of aviation bulk fuel that you may need, either loaded into an aircraft or delivered to any road accessible site via our bulk fuel trucks.
- Colville Inc has a Bulk Storage facility in Deadhorse that can handle any of your bulk fuel needs.
 - 3.8 Million gallons of ULSD (Ultra-Low Sulfur Diesel)
 - 900,000 gallons Jet A Fuel
 - 200,000 gallons of Unleaded Gas
 - 20,000 gallons of 100LL Aviation Fuel
- Colville has a access to a large transportation fleet that hauls refined fuel products from Fairbanks, Valdez, and Anchorage to Deadhorse 24hrs a day. (a mobile pipeline that never stops flowing)
- Our FBO facility has a new state of the art deicing truck available for any aircraft deicing that you may need, 24hrs a day.
- If lodging is needed Colville in able to provide approx. 400- single status rooms, with meals at our sister company's (Brooks Range), new hotel located in Deadhorse, next door to the general store and NAPA store which is also owned by our sister company.

To answer some of your questions,

- 1- Fees for Hangar, Ramp, AGE, and any other services- Colville does not have any aircraft hangars, but we have ramp space available at our FBO Facility.
- 2- Fuel availability (through you or other provider?)- Colville is the ramp fuelers for the Deadhorse airport, we have 2- JET A trucks and 2- 100LL trucks. Our ramp fuelers operate 7 days a week and can fuel 24 hours a day. Our fuelers carry cell phones so it's no problem getting to you fast. Currently JET A is going for \$4.37 per gallon plus the taxes. 100LL is \$7.79 per gallon plus the taxes. We price our fuel off of a Rack Price, so please keep in mind that as the price of fuel rises and lowers, so does this price. This per gallon price is based off of today rack price.
- 3- Weather Support? Is there any local weather support available?
- 4- Badging / Special Security Considerations for ramp area? The closer you get to coming up we can talk with the DOT and arrange badging for you. You will want to make sure you have your passport and another form of ID with you.
- 5- Lodging or any other suggestions for our teams. For pricing please contact Daniel or Jen at 907-659-6233. We can also set you up with a company for rental transportation to and from the hotel.
